How to download and sign in to the APPatient app

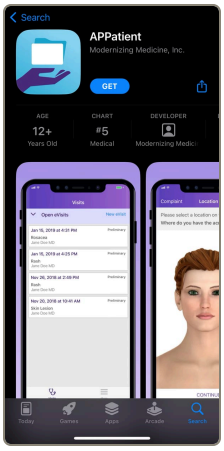
The APPatient app lets you join audio and video visits (telehealth) with your Pinnacle Dermatology provider from your smartphone. You need access to our patient portal before you can sign in to the app.

Our practice URL is: **pmg.modmedapp.com**

1. Download the app

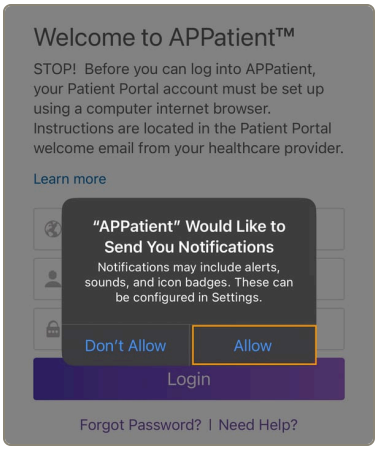
On your smartphone, open the email we sent you and select the link in it. The link opens the app store, where you can download the APPatient app.

If you already have the app, the link opens it instead.



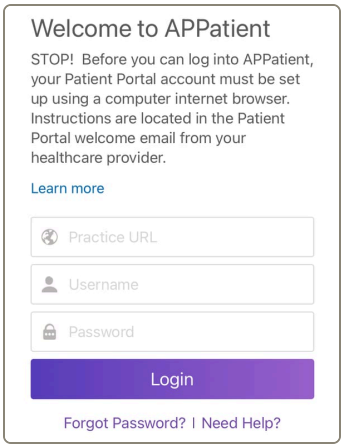
2. Allow notifications

When the app asks to send you notifications, select **Allow**. We recommend this so you receive updates. If you don't allow notifications, you will need to open the app often to check for updates.



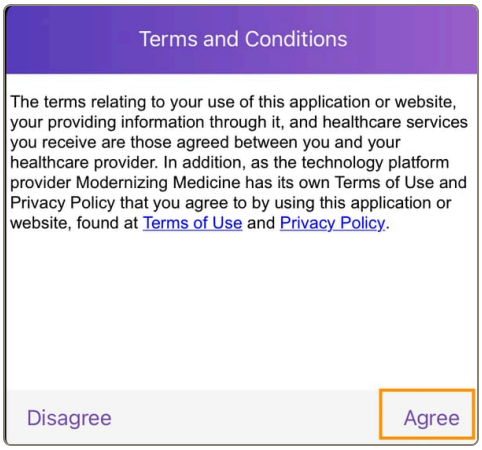
3. Sign in

Enter our practice URL, **pmg.modmedapp.com**, then your username and password. These are the same username and password you use for the patient portal.



4. Agree to the terms

The first time you sign in, you will see the Telehealth Terms of Service and Privacy Policy. Select **Agree** to continue.



Need help with the app or the patient portal? Call 501-817-3923 (TTY: 800-285-1131) or text 501-550-9095.
